

Crisis Simulation

Multi-Crisis Coordination Exercise

Your Network Faces Simultaneous Challenges:

Aftermath of the Storm

- Widespread damage
- Those that could leave, have
- Internet down
- Power out

Crisis Simulation

Multi-Crisis Coordination Exercise

Your Network Faces Simultaneous Challenges:

Crisis Alpha – Resource Emergency (Location: West Side)

- Network member just returned from trip (in working vehicle)
- House destroyed by disaster
- Family safe but lost everything
- Needs immediate: shelter, clothing, food, emotional support

Crisis Bravo – Security Threat (Location: East Side)

- Unknown armed individuals reported near member's home
- Member sheltering in place with children
- Police called but 40+ minute response time
- Needs immediate support and coordination

Crisis Charlie – Medical Emergency (Location: North Side)

- Network member experiencing severe allergic reaction
- EpiPen administered but symptoms worsening
- Needs immediate hospital transport
- Family members panicking, need coordination support

Crisis Simulation

Assets and Situation Overview

Network Assets Available:

- All workshop participants and their stated competencies
- One vehicle immediately available
- 12 Bystanders that can be assigned tasks but not leadership
- Communication via cell phones
- 24 hours until extended network help might arrive

Your Mission:

- Assign competent individuals to appropriate crises
- Establish command and communication structure
- Mobilize resources effectively
- Coordinate simultaneous responses
- Document decisions for after-action review

Time Limit: 15 minutes

Complications Will Be Introduced at:

- 3-minute mark:
- 6-minute mark:
